I. SERVICES (CONT.)

Manatron GIS DataLink System

9,500.00

The Manatron GIS DataLink System integrates with other Manatron Systems and a variety of standard databases. The GIS DataLink system will provide the ability to link graphic objects on a map with attribute information from an external database file. Attribute information is a descriptive characteristic of a map feature. With GIS DataLink we will provide all necessary drivers and dictionaries to handle both small and large mapping projects. Also included is the topology module that Manatron will use to create the link between the drawing file and the database.

TOTAL AMOUNT

\$61,885.00

TOTAL ANNUAL SUPPORT FEE FOR GIS DATALINK APPLICATIONS

1,500.00

The Monthly Service Price will be included under the existing Manatron Support Service Agreement with Manatron, and the charges thereunder will be adjusted, in the manner provided in that Agreement, in the amount indicated above.

You will be invoiced upon shipment and payment terms are net 30 days.

We appreciate this opportunity to be of service to you.

Your signature on this letter constitutes your authorization and purchase order to Manatron. Please sign where designated and return both copies to James W. Flake, Regional Vice President, Manatron, 4625 W. 86th Street, Suite #800, Indianapolis, Indiana 46268. I will then return to you a copy executed by Manatron.
